40th Anniversary of UPC!

Join us in recognizing the 40th Anniversary of the United Parent Council for PVSchools

UPC was started for the 1976-77 school year and has continued on growing in influence within the district and with other districts that are interested in learning from our experience. This year's officers send out our thanks to all who have led and participated in UPC over the last four decades.

We hope we have honored your efforts and have continued to exceed expectations!

Thank you to everyone, our members and supporters in the community, for your influence and vital interest in PVSchools.

UPC Annual Geri L. Morgan Volunteer Award Announcement

United Parent Council's Geri L. Morgan Volunteer Award honors the strong example of service shown in life by late UPC member Geri Morgan.

In her memory, UPC annually recognizes a volunteer who has made outstanding contributions to a school community.

This year's award will be announced at the May UPC Monthly Meeting, so please attend and show your support for the winner and all of PVSchools volunteers.

The winner will be formally honored at the May 18th Governing Board meeting and will designate a school group or organization of their choice to receive a \$100.00 donation from UPC.

Next Year's UPC Officers Have Been Elected
