

# FROST

Free Resources for Online Student Tutoring

## Attention: K12 students and parents of students!

Need help with any subject and you're in Kindergarten through 12th grade? The National Honor Society clubs of PVUSD provide online tutoring. You can be on a home computer, or on vacation, a field trip, or.... Please join us this year as we also welcome students needing tutoring throughout Arizona, and beyond.

The online technology uses two-way audio/video (optional) and a unique solution of *screen sharing*. To help learn concepts, tools like drawing, text, shapes and colors can be annotated by both student and tutor on a *virtual whiteboard*, and/or web sites, files.

To get started, you only need to follow the below **Three Easy Steps**. The first time you log on with your computer, a java file will be downloaded and installed. You'll have to accept this download the first time and from then on, you'll connect easily.

### Three Easy Steps:

- Log on to [pvschools.webex.com](http://pvschools.webex.com) between 3 and 7 pm, Monday - Thursday
- Join the "Online Tutoring" session
- Put your name, email address (optional), and the password "ipad"

Upon connecting, you'll be greeted by a PVUSD certificated teacher, who will place you in a breakout room with your NHS/FROST tutor. Enjoy learning.....
