What Are Restorative Practices?

**With Dr. Jason Reynolds and
Dr. Mitch von Gnechten**

Join us for a discussion on Restorative Practices in PV Schools led by Dr. Jason Reynolds, Assistant Superintendent of Secondary Ed and Dr. Mitch von Gnechten, Director of Student Services-Secondary. Learn what Restorative Practices are, why it is important to your student and school community.

Restorative Practices focus on a whole school approach to encourage positive behavior, while at the same time building and restoring relationships. This presentation will provide a brief history of approaches to student behavior, the paradigm shifts that must take place to build a restorative culture, and examples of restorative approaches and frameworks.

UPC brings parents from across the district together to enhance the PV Schools experience.
