Dear Vendor/ Exhibitor,

We cordially invite you to participate as a vendor in our annual district-wide LINC Showcase Event.

The PVUSD United Parent Council (UPC) is once again hosting this well-attended event for the parent group leaders and administrators from the 44 schools in our diverse K-12 district. This showcase event enables school leaders to personally connect with a wide array of organizations that offer quality fundraising opportunities, programs, and other resources to our school communities. By being an exhibitor at this year's event, you can get your organizations information into the hands of our district's school group leaders and administrators. Your organization/business can participate by exhibiting at the event and donating a door prize to raffled at the event.

The United Parent Council is a district-wide parent group that uses school representatives, monthly meetings, online communications and other resources to help parents stay informed and involved in educational issues that impact the students.

We appreciate your support of this special UPC event. We received overwhelmingly positive feedback from last year's attendees and we plan on making this year's showcase the best one yet! ***This year's event will be held in a NEW LOCATION. It will be held at EXPLORER MIDDLE SCHOOL 22401 N. 40TH ST, PHOENIX, AZ 85050.*** The cost to exhibit at this year's LINC Showcase is \$100 for all exhibitors that register before February 11, 2019. Registration fees will that increase to \$125 after date. If you are interested in participating, please register and make your payment online at <http://www.pvupc.org/services/linc.cfm> using our paypal link. Once payment has been made, please click on the application link on UPC page to fill out and submit the vendor application form (this is how I will track who is planning on attending).

The deadline for event registration is March 4, 2019. Once registration and payment have been received, you will receive a confirmation letter with event details and instructions.

Please feel free to contact me directly with any questions. Thank you for your participation and support of UPC and the LINC Showcase.

Warmest Regards,

Jenn Stockhill
