### Social Media

#### How to Keep Our Kids Safe and Happy

Ilana Lowery, Regional Director of Commonsense Media will teach us how to talk to our kids about their devices and the use of social media. She will outline the characteristics of good digital citizenship and describe what healthy technology habits look like. She will present resources available to parents in Arizona including those offered by Commonsense Media. A Commonsense Media Education Manager will be available to answer questions on curriculum and provide an update on how Arizona schools are handling policy on student devices.

**UPC brings parents from across the district together to enhance the PV Schools experience.**
